**CASKET PRICE LIST**

The prices are effective as of April 15, 2012, but are subject to change without notice.

To assist you in identifying a casket, we have assigned a numerical symbol to each casket. A corresponding numerical symbol has been affixed to the lower left-hand corner of the casket price card, which is attached to the casket. You may choose only the items you desire. If you are charged for any items you did not specifically request, we will explain the reason for the charges on the written memorandum. Please note that there may be charges for items such as cemetery fees, flowers, and newspaper notices.
