OUTER BURIAL CONTAINER PRICE LIST

The prices are effective as of May 15, 2010, but are subject to change without notice.

In most areas of the county, state or local law does not require that you buy a container to surround the casket/urn in the grave. However, many cemeteries require that you have such a container so the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

To assist you in identifying an outer burial container, we have assigned a numerical symbol to each container. A corresponding numerical symbol has been affixed to the upper left-hand corner of the outer burial container price card, which is attached to the Vault.
